Educare And Child Care Courses

BROCHURE

higher education
& training

Department:
Higher Education and Training
REPUBLIC OF SOUTH AFRICA

Do you enjoy being around young kids? Would you like to help young children during their early development? Then a career in child care is for you. We have Educare and Child Care Courses that will help you get your career started.

Educare NATED National Diploma

NATED offers 3 Educare programmes to help you get started. You will be in charge of the proper growth and development of young minds, who will eventually lead us all.

This course gives you both practical and theoretical knowledge to help you be the best person responsible for young minds.

NATED Educare has three different courses that build upon the previous. After each course, you will get a National Certificate. After your N6 national certificate and 18 months of work experience, you will receive a National Diploma.

Child Day Care Courses

The course is offered via distance learning. That means:

You register over the phone

We send your your study materials via courier

- You get all the study materials you will need to pass your course from us

- When you start with your first subject, you study and then you do your first assignment

- You send your assignment to your tutor at the college

- We mark your assignments and give you detailed feedback

You chat with your tutor and your classmates in our WhatsApp groups

- You can also chat in our online study groups on TogetherWePass, which is better because you can easily see all your past chats and work

- When we get closer to the exam you can attend online exam preparation sessions
